Become a  
pioneer in a  
movement that's  
transforming  
healing

# Be Part of a Movement That is Changing Lives!

**March 2 a MILLION** A nationwide mission to help ONE MILLION PATIENTS recover from knee and hip replacement surgery with LITTLE TO NO OPIOIDS.

This is more than surgery. This is about raising awareness. Together, we can reshape recovery, redefine standards, and reduce opioid dependency—one patient at a time.

**MARCH 2 A MILLION**

*Reshaping Recovery*

One Patient at a Time
